The West Michigan Dental Foundation is dedicated to the improvement of oral health through the financial support of educational and service programs to address needs identified by the dental profession and the communities which it serves.

The West Michigan Dental Foundation supports projects that impact oral health within its five-county service area (Kent, Ottawa, Ionia, Montcalm and Mecosta). Grants are generally limited to no more than fifty percent of the total cost of the program or project. Priority is given to educational projects, treatment-based projects, supplies, and equipment.
